COULD NOT SLEEP AT NIGHT

Mrs. Gertrude Sumner, of Carey, Iraho, Describes Her Painful Experience and Final Recovery.

Carey, Ida.—"I began by being troubled with internal pains," writes Mrs. Sumner, of this city, "and got so I could hardly sit up or walk. I grew worse and could not sleep at night, so I told my husband I would die, if there wasn't something done for me. He sent for some Cardui, and I began to take it. I seemed better right away, and now I am so much better than I have been for some time. I believe if it had not been for Cardui, I would now be dead."

No sick or ailing woman can fail to be interested in the experience of others, particularly when their stories give her hope, as the above should give you. Cardui is a purely vegetable, medicinal, harmless, non-intoxicating, and perfectly reliable, tonic remedy. Over a million women have been benefited by its use. Cardui will carry you over the rough places, ease your hard days, and increase the comfort and pleasure of living. Be sure to ask for Cardui, at the drug store, today.

NOTE.—The Cardui Home Treatment for Women, consists of Cardui (\$1), Thorndyke's Black-Draught (25c), or Vaseline (50c). These remedies may be taken singly, by themselves, if desired, or three together, as a complete treatment for women's ills. Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

and Main streets. The big wholesale house is having a third story added to it in order to make room for the additional supply of groceries and supplies which will be necessary to feed the workmen at the big dam when operations start there.

OPENING KANSAS STREET TO MYRTLE

West San Antonio street is not so numerous with its street opening operations. North Kansas is getting into the game of street making on its own little hook and line.

The big brick house which is one of the number of stores and houses which now stand in the way of civic progress, meaning street opening, has had its windows removed and it is now ready for the wreckers to get busy. This is the first move to open the street through from Mills street to Myrtle avenue, and it is expected to have the street extended before fall.

SELLS RANCH IN THE VALLEY; BUYS CITY LOT

Selling his ranch in the Mesilla valley, Henry W. Nickols bought the best thing he knew of, a house and a bunch of lots in El Paso. Mr. Nickols recently sold his ranch in the upper valley for a fifty price and invested \$2500 of it in realty right here in El Paso. The house he purchased was in Altura park, where the mulberry trees grow, and is a six room, brick cottage with all of the trimmings.

A CLOCK ON TOP OF CITY NATIONAL BANK SOON

Town clocks are to be as plentiful as Ingersoll watches before next year. A big clock with the 12 feet dials will surmount the Anson Mills building. The county clock will be ticking off the minutes for the general public in the tower of the courthouse and a plaza clock will be installed at once. This one will be on top of the City National bank building.

DOG CATCHER WILL AID POISON FIEND

Alderete and Force Will Begin Crusade Against the Homeless Ones.

Frank Alderete, dog catcher, will begin Wednesday afternoon or early Thursday morning with the assistance of five trained dog catchers and a policeman, to corral all the canines that are permitted to run loose about the streets.

Mayor Robinson stated Wednesday morning that an active campaign must start at once as he has received several complaints from parents that their children have been bitten by stray dogs. Alderete has been working for two days preparing the cages at the city pound for the reception of the dogs. He also said that on Friday last 28 dead dogs were picked up by the city scavengers, and on Thursday 15 more were taken to the city dump showing evidences of the poisoners' work.

WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away. El Paso People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause becomes weak, languid, depressed suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is El Paso testimony to prove it.

Charles M. Wilson, 1313 Texas street, El Paso, Texas, says: "I have used Doan's Kidney Pills and on for many years and have been given ample proof of their merit. In February, 1907, I publicly recommended Doan's Kidney Pills and at the present time I take pleasure in confirming all I then said in their favor. I began to suffer from kidney trouble over twenty years ago and during changeable weather or when I took cold, my condition was always worse. I had an acute pain in my right side and any sudden movement caused sharp twinges to dart through my body. Often I was confined to my bed for a week at a time. I finally began using Doan's Kidney Pills, procured at Kelly & Pollard's drug store and they brought me prompt relief. As they have always benefited me when I have used them since then I naturally hold a high opinion of them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's and take no other.
